**SPA GRANDE AT GRAND WAILEA  
EXPANDS THE SPA EXPERIENCE FOR THE WHOLE FAMILY  
Spa Menus Target Children and Teens**

MAUI, HAWAII – Indulge your keiki (children) with a Wave Massage, Chocolate-Coconut Scrub or Honey Sugar Manicure. Spa Grande at Grand Wailea, named one of the “Top 15 Resort Spas in North America & Caribbean” by *Conde Nast Traveler*, offers complete spa menus for children six to 12 and teens 13 and older.

**KEIKI SPA**

Children can enjoy their first Spa Grande treatment and choose from a variety of kid-friendly spa treatments, including a Wave Massage, using warm lava stones; a Chocolate-Coconut Scrub, incorporating cocoa butter and coconut oil; or a Tropical Facial, featuring organic fruits, herbs, flowers and exotic spices. Kids can also pick up a complimentary mini iPod, complete with disposable headphones and pre-loaded with music, and groove to the tunes while indulging in a Honey Sugar Pedicure. Female therapists guide children through the spa and a parent or guardian is welcome to accompany his/her child in the treatment room.

**TEEN SPA**

The Teen Spa menu focuses on treatments that target adolescents’ skin. Signature treatments include an Acne Facial, which clears excess facial oils and blemishes; a Mud Body Wrap, which starts with a scrub followed by a full body wrap of mineral rich Dead Sea Mud; and Body Bronzing, which gives teens a golden tan without the risk of sun damage. Teens can also attend Co-ed Teen Spa Night during which teens 13 – 17 gather in the Terme Wailea Hydrotherapy to relax and learn more about spa etiquette and bathing rituals.

**MALAMA KA ‘OHANA – “TAKE CARE OF YOUR FAMILY”**

Spa Grande’s Family Spa Suite is dedicated to families that want to spend some time relaxing together. The Suite offers parents the ideal setting to introduce their children, ages six to 12, to the spa while learning spa etiquette and enjoying the benefits of being pampered.

The Malama ka ‘Ohana Package or “Take Care of Your Family” Package includes two 50-minute Lomi Lomi Massages for adults and two 50-minute Chocolate-Coconut Massages for children in the Family Spa Suite.
