## Traditional Hawaiian Blessing

Take part in a sacred Hawaiian tradition with a blessing ceremony to make your meeting or event a unique and memorable experience. Honoring the positive energy of our 'āina (land), our Cultural Advisor will bestow the aloha spirit on your guests, bringing them happiness, health, peace, and abundance.

## Private 90 Minute Hula Lessons

Give your attendees the unique chance to learn the most iconic of Hawaiian art forms with a private group hula lesson. Your group will learn the rhythms of our island home with each new step, helping them innately understand our history and traditions through the magic of dance.

## VIP Meet & Greet with Oli (Chant)

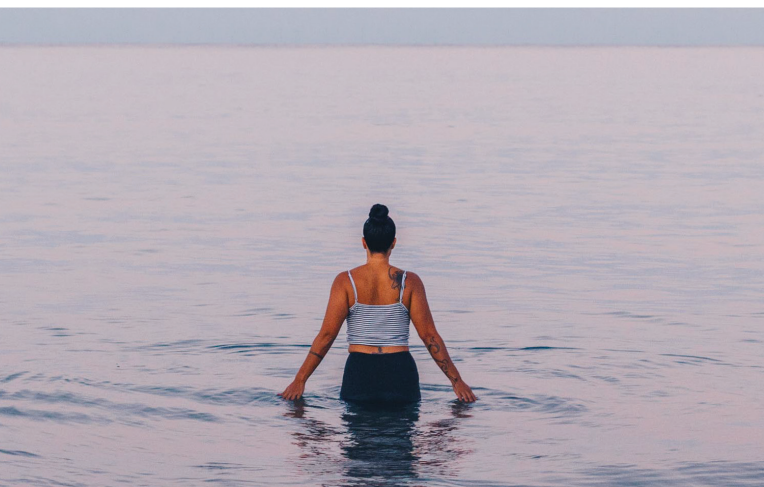

Let us show your guests the true meaning of Hawaiian hospitality with a traditional welcoming oli (chant) and the greeting of aloha. This practice is steeped in beauty and tradition, giving your group the chance to delve into our cultural heritage while also gifting them with a true sense of place.

## Personalized Cultural Amenity

In addition to the extraordinary Maui memories your guests will take home with them, we offer personalized Hawaiian cultural amenities tailored to fit your group and VIP guests. Together, these tangible and intangible souvenirs enable each of your guests to carry the flavors, style, and traditions of our island home with them, wherever they are.

## E Ala E Sunrise Experience

Energize and inspire your group during their stay at Grand Wailea with a rousing “e ala e” chant, performed at sunrise on the sands of Wailea Beach. This unique experience not only showcases the quiet early morning beauty of this iconic beach, but also serves as a rejuvenating and inspiring wellness experience to spiritually cleanse the mind, body, and soul.
