# SAKE

*The Sakata Brewery makes Jokigen in the Yamagata prefecture under the guidance of the brewmaster Shoichi Sato. He is considered one of the top sake brewers in all of Japan! His Jokigen sake are some of the most awarded sake in the world and uses artisanal rice strains to create unique house style*

## **Jokigen, Junmai Ginjo, Oyama Nishiki Rice**

*Soft citrus & Asian pear aromas with a floral finish*

## **Jokigen, Junmai Daiginjo, Omachi Rice, Kimoto**

*Considered a masterpiece, it has delicate pear & melon aroma*

*The Dewatsuru Akita Seishu Brewery is situated in Akita prefecture near an ancient fort built for the Yamato Imperial Court. During an archeological excavation, they found 1000yr old purple rice grains called Murasaki Mai. They cultivated those ancient rice grains to create a one of a kind cherry blossom (Sakura) colored sake.*
